Happy Hour's next door but you'll have to brave the
downpour

i'm staying here where i can get a song free with my
drink to

smooth thing's along. The bartender he looks kind of
sauced

but he always knows what's going

down it's how you carry yourself at the holiday cocktail
lounge

i didn't talk or say much but i got to know alot the
greatest

delicacies of spain the effects of rain on your brain.

i got another free drink with my free song the usual
things

they come and move along here at the holiday cocktail
lounge.

I heard some places can change how you feel

it's not something you can see but i

think that it's real words that were spoken

of passing thoughts in the mind

somebody just rolled through and they left them
behind

maybe they sat in this

very stool and didn't make a sound

they just came and went here at the holiday cocktail

lounge
