I used to have home
with a room and be
a porch and a driveway
with a big garage
but i traded it in
I kept some faith
and laid my head down every night
and it seems so far awy
remember me now cuz things
always change
5 long years has gone
i've done some time
sleeping where i fall
i know i'll never be the same
I learned somethings
about the places i saw
i learned something about myself
i guess it came the hard way
now i know what counts
i've got one prayer
it's in your confidence

i know all the places
i don't want to be everyone's
gone there's no one just me
remember me now cuz things
always change
5 long years has gone
i've done some time
sleeping where i fall
i know i'll never be the same
remember me next time i go away
for the first time i wanna stay
i can count one hand here today
the only thing that matters to me
anyway and it seems so far away
remember me now cuz things
always change
5 long years has gone
i've done some time
sleeping where i fall
i know i'll never be the same
