He was only 16 and he knew he wasn't like anyone else

Listening to his records in his room he knew

something had to change somewhere or he would go insane

but when some years slipped by and he still felt the same.

people and money came and went but the only thing that stayed the same

were the feelings he felt when those records played

he drinks till he

falls down and his name is Lamar Vannoy

he's looking for something and

he's gonna find it Oi Oi Oi Oi

and his name is Lamar Vannoy.

Me and Lamar in NYC on the avenue

talking about nothing new

with a bag of brew the New York wind

will blow and he will wears his engineer boots

motorcycle jacket black jeans nowhere to go

nothing to do so much has gone

wrong and so much is bad but sharing

this music with Lamar there is so

much we have he drink's and think's
about a girl who lies and his name is
Lamar Vannoy he'll wake up and
go to work with a swollen brain
