I wanna make you know
I can do everything
but I don't ever show you
how I really am
I wish I could say
I have no regrets
I wanted too much from you
I don't wanna be this way
I kick myself I wish I could say
that I have no regrets today
But I'm so nervous that I lose my cool
everytime I pick up the phone
and try to call you
standing out in the freezing cold
until I'm numb wondering why
I'm always acting so dumb
I don't wanna be this way
I kick myself I wish I could say
that I have no regrets today
Things just happened
to turn out this way

I can't say that I have

no regrets today
