We can't agree on a single thing,
i dont know why.
We almost killed each other on the inside.
I managed to be a jerk anyway,
it doesn't have to be this way
Forget about the things i said
I make no excuse for them.
I want to start again
We all walk our seperate ways
I don't know why, I
hope we meet again somewhere some day.
I can't chage the way you feel
It doesn't have to be this way
Forget about the things I said,
I make no excuse for them
I want to start again
I think about the two of us,
I don't know why,
I feel good on the inside. I
t's different now,
I'm one i stand alone.

I have to be this way
