Pride's alot to swallow when you've been

beaten down to the ground.

You'll be back in a flash this won't be the last you'll

find what there is to be found anyway that's what they say

i don't know what i'm supposted to be in. You've gotta be in

it to win it when it's your last chance sin. There are people

with stuff and some without but in the end

what does it mean to win.

Ok so i'm here making the best of it

there's no such thing as a "sin"

i guess i'll do whatever i want whatever that is then i know i'll win.

You've gotta be in it to win it when it's you last chance sin
