As I collaborate on this mic and prevail  
So 7L cut the record, the sound has been selected  
The formula's perfect, all frauds have been ejected  
from this project at hand, so take a second reflect  
Sound Providers on deck, always comin correct  
So yo bro drop the needle as I shoot from the 3  
Chosen speaker's got the flow as everybody can see  
SD the residential with rock rhyme potential  
Bless the brother 7L just to add to my credentials  
Off of that we keep it simple, no need for all the hype  
I'd rather stimulate the mental with the words that I  
write  
Precise is the ability, microphone agility  
As to my charm when I'm rockin the facility  
So I'ma let you know who's runnin the show  
See they call him 7L and I'm the one Sound Pro
