"24 Hours"

Fragile, handle with care
You fall in love, then you lose your head
For the last 24 hours, I've been drying my heart out
This time, hoping for the better
I've been down, seems like forever
For the next 24 hours, I'm yours,
handle well these hours

OH
You said it was love for the first time
Oh, baby, baby be mine
'Cause I'm in love, in love, in love, in love with you

It's so good, you don't have to worry
I'm not like that, I'm not in a hurry
Take your time, I'm not going nowhere
If you go I will always follow

OH
You said it was love for the first time
Oh, baby, baby be mine
'Cause I'm in love, in love, in love, in love with you
with you, with you, with you, with you

Oh, would I lie to you?
I've never had a reason to
Something i would never do, never do, ohoh

OH
You said it was love for the first time
Oh, baby, baby be mine
'Cause I'm in love, in love, in love, in love with you
You said it was love for the first time
Oh, baby, baby be mine
'Cause I'm in love, in love, in love, in love with you
with you, with you, with you, with you, with you, with
you, with you
