Coming home just to find her in bed.
"I'm crazy for love", that's the last thing she said.
Covered in colours red, white and blue.
This is the last time I'm nobody's fool.
Look at me! I'm talking to you.
The streets are busy but I got nothing to do.
Some are scared and some don't care.
This is the last time I'm nobody's fool.

Ohh. Diana. Why don't stay with me tonight?
Ohh. Diana. You always leave in the morning light.
Ahh. I know it's me you're looking for.
Oh, oh, oh. Diana. You never play by the rules.
Cos' you're nobody's fool.

Full of grace that's not what I see.
I see a girl full of misery.
I told myself now I'm telling you.
This is the last time I'm nobody's fool.

Ohh. Diana. Why don't stay with me tonight?
Ohh. Diana. You always leave in the morning light.
Ahh. I know it's me you're looking for.
Oh, oh, oh. Diana. You never play by the rules.
Cos' you're nobody's fool.

Ohh. Diana. Why don't stay with me tonight?
Ohh. Diana. You always leave in the morning light.
Ahh. I know it's me you're looking for.
Oh, oh, oh. Diana. You never play by the rules.
Ohh. Diana. Ohh. Diana. Ooh. Diana.
You never play by the rules.
Cos' I, I know it's me you're looking for.
Oh, oh, oh, Diana you never play by the rules.
Cos' you're nobody's fool.
