I've seen people losing all of their faith  
before they knew what they were looking for  
I swore I'd never ever do it again  
till this day

Words are all I have to give to you  
you never seem to see it my way  
Standing in the shadows I hear  
people say

(Bridge)  
I've got confessions to make  
listen up  
no one sleeps when I'm awake

(Chorus)  
The dreams I dream  
the song I sing for you  
they're coming from my heart  
is my message getting through?  
You know it hurts so bad  
just like i knew that it would  
but I'd do it again  
I'd do it again if I could  
I'd do it again if I could.

I don't think you know what it's like  
you should be careful what you're wishing for  
and try to set your ego aside  
you will find  
a false piece of mind  
you fall behind  
and everybody's getting tired of you  
standing in the shadows i hear  
people say

(Bridge)  
I've got confessions to make  
listen up  
no one sleeps when i'm awake

(Chorus)

The dreams I dream  
the song I sing for you  
and they're coming from my heart  
is my message getting through?  
You know it hurts so bad  
just like i knew that it would  
but I'd do it again  
I'd do it again if I could

Hey heeey heeey  
i want you to know (know know know)  
hey hey heeeeeeeeeeeeeey heeeeeeeey

Cause the dreams that i dream  
and the songs that i sing  
when I lost myself and a different meaning  
Shot down and post, imagine although it's  
hundreds of dreams  
they can place around you

(Chorus)

It hurts so bad  
just like I knew that it would  
but I'd do it again, I'd do it again if i could.  
but I'd do it again, I'd do it again if I could.

I'd do it again  
I'd do it again  
I'd do it again  
I'd do it again if I could!
