Could I act like you, and put a smile on my face
Not even for a second, would I lie to myself
Too many things are missing, there's a tear in my eye
It's not a question or an answer, but it will change your
mind

We'll be the same tomorrow, cause we've all been
painted by numbers
We dance and I shall follow, you said it was love, I said
I'd like you to be mine

Nanana nanananana nanananana nanana naa

I couldn't act like you, but I can love like you do
Between us there is something, I can't explain it to you

We'll be the same tomorrow, cause we've all been
painted by numbers
We dance and I shall follow, you said it was love, I got
what I need to get by

We'll be the same tomorrow, cause we've all been
painted by numbers
We dance and I shall follow, you said it was love, I said
I'd like you to be mine

Nanana nanananana nanananana nanana naa

We'll be the same tomorrow, cause we've all been
painted by numbers
We dance and I shall follow

I'll sing a song for sorrow, cause we've all been painted
by numbers
We dance and I shall follow, you said it was love, I got
what I need to get by
