1, 2, 3, 4. No I want more  
5, 6, 7. No it's not OK,  
how come you taste so good,  
this time I'm really hooked.  
It's half past ten, it's getting late.  
But the night is young and I can't wait  
You know I like it loud.  
You should know me by now

Something sweet or something strong  
Seems like love no longer can turn me on.  
Like boy need girl and girl need boy,  
got a nasty habit called RocknRoll

But you don't know what it's like  
I've done things you've only dreamed about  
More than once or twice, it keeps me up at night  
Jump up, bubble up, what's in store  
Bryan looked for love, but I want more  
I find another beat, there's no time for sleep

Something sweet and something strong  
Seems like love no longer can't turn me on  
Like the girls in suits and those pretty boys  
I gave my heart to RocknRoll

So you can call the police  
I'm sorry but my manners, but you see,  
I'm a bit drunk as you can see,  
I bet you would like to undress me

Something sweet and something strong  
Seems like love no longer can't turn me on  
Like boy need girl and girl need boy  
Got a nasty habit called RocknRoll

Something sweet and something strong  
Seems like love no longer can't turn me on  
Like boy need girl and girl need boy  
Got a nasty habit called RocknRoll
