Hey!
What do you say
I got a fifty million dollar contract coming my way
This song is not for you
Only for people living like we do and not for the true.
So don't you think I know what's wrong
you're looking out of wit and stories but you
can't push us down.
This song is not for you
only for people living like we do and not for the true...
oooooo
Hey Baby! We're the one,two,three,four,five
you've been missing.
You're feeling shitty. I don't feel no pitty
without me you are nothing at all
Hey!
What do you say
I got a fifty million dollar contract coming my way
This song is not for you
Only for people living like we do and not for the true.
Hey Baby! We're the one,two,three,four,five
with a mission.
You're feeling shitty.I don't feel no pitty
without me you are nothing at all
This song is not for you
Only for people living like we do and not for the true.
To all you liars, you will be tired
don't believe in what they say and what you've always
been told..
Yeah! oooooo
Hey Baby! We're the one,two,three,four,five
you've been missing.
You're feeling shitty. I don't feel no pitty
without me you are nothing at all
Hey Baby! We're the one,two,three,four,five
with a mission.
To all you liars, you will be tired
don't believe in what they say and what you've always
been told..
This song is not for you
Only for people living like we do and not for the true.

don't believe in what they say and what you've always
been told..
don't believe in what they say and what you've always
been told..
