"Under My Skin"

if i fall
into you
will you hold me
need me
and if i try
to hard to get by

under your wings
its under my skin
breathe in for me
bring it back to me
bring it back to me
turn my wheels
bring it back to me

turn your head
twist your mind
'til it fools you, you, you
its my truth
i owe it all to you
this old show
of a burn out soul is mine yeah
it might burn
it might blow your mind

under your wings
under my skin
breathe in for me
bring it back to me
bring it back to me
turn my wheels
bring it back to me

under your wings
under my skin
breathe in for me
bring it back to me
bring it back to me
turn my wheels
see you bleed

hey

under your wings
under my skin
breathe in for me
bring it back to me
bring it back to me
turn my wheels
to bleed
