"Wish You Were Here"

Remember the first time when I saw you.
Thinking one day we'll be the lucky two.
I looked at you and your beautiful hair.
Give me your hand and we'll go somewhere.

I would take you down the city for a ride.
We'll spend the night together
by the river on the west side.
Wish you were here.
I wish you were here.
Wish you were here.
I wish you were here.

If I knew then what I know now.
And that one day we would say goodbye
So many things that we left unsaid.
Remember your naked back on my bed.

I would take you down the city for a ride.
We'll spend the night together
by the river on the west side.
Wish you were here.
I wish you were here.
Wish you were here...
I wish you were here.

Mmmm

I would take you down the city for a ride.
We'll spend the night together
by the river on the west side.
Wish you were here.
I wish you were here.
Wish you were here.
I wish you were here.
