Listen! Your children might hear it.
Feel it! I'm telling you to feel it.
The war is not over.
The dream is not over.
The world is not ending.
I'm telling you I'm of a kind.

Love it! Your children might need it.
Hate it! I'm telling you to hate it.
So take it or leave it.
I fake it you believe it.
The world is not ending.
I'm telling you I'm one of a kind.

Yeah! I won't let them find you tonight.
And I, I'll be there beside you.
I'll be your light in the dark.
I won't let them tear us apart.
So!

Listen! Your children might hear it.
Feel it! I'm telling you to feel it.
The war is not over.
The dream is not over.
The world is not ending.
I'm telling you I'm of a kind.

Love it! Your children might need it.
Hate it! I'm telling you to hate it.
So take it or leave it.
I fake it you believe it.
The world is not ending.
I'm telling you I'm one of a kind.

Yeah! I won't let them find you tonight.
And I, I'll be there beside you.
I'll be your light in the dark.
I won't let them tear us apart.
I'll be your light in the dark.
I won't let them tear us apart.

And in moments like these
it's easy to say.
I will forgive but I won't forget.
And in moments like these
when you're on your own.
You're gonna feel
when the love is real.

Yeah!!! Listen! Feel it!

Yeah! I won't let them find you tonight.
And I, I'll be there beside you.
I'll be your light in the dark.
I won't let them tear us apart.
I'll be your light in the dark.
I won't let them tear us apart.
