I am near the end
I've accomplished nothing
And when I fall into the sky
Oblivion
I am on the edge
No strength to fly
And when I look into the screen I see your eyes

You are a beautiful Noir
Cinematic film
That only I see

You are a beautiful Noir
Cinematic film
That only I see

Lie awake at night
Just to watch you breathe
In the sunrise
Honey skin
Howard Silva plays
In my darker days
This is the last time
I say goodbye

You are a beautiful Noir
Cinematic film
That only I see

You are a beautiful Noir
Cinematic film
That only I see

You are a beautiful Noir
Beautiful Noir
Beautiful Noir
