Song: R.E.M.

Nothing could be bring me closer.  
Nothing could be bring me near.  
Where is the road I follow  
To leave, leave?

It's under, under, under my feet.  
The sea spread out there before me.  
Where do I go when the land touches sea?  
There is my trust in what I believe.

That's what keeps me,  
That's what keeps me,  
That's what keeps me down,  
To leave, believe it,  
Teave it all behind.

Shifting the dream  
Nothing could bring me further from my old friend  
time.  
Shifting the dream  
It's charging the scene  
I know where I marked the signs.

I suffer the dreams of a world gone mad  
I like it like that and I know it  
I know it well, ugly and sweet,  
That temper madness with an even extreme.

That's what keeps me  
That's what keeps me  
That's what keeps me down  
I say that I'm a bantam lightweight  
I say that I'm a phantom airplane  
That never left the ground.

That's what keeps me,  
That's what keeps me,  
That's what keeps me down,  
To leave it, believe it.

Leave it all behind.

Lift me, lift me,  
I attain my dream.  
I lost myself, I lost the  
Heartache calling me.  
I lost myself in sorrow  
I lost myself in pain.  
I lost myself in clarity,  
Memory, leave, leave.

That's what keeps me,  
That's what keeps me,  
That's what keeps me down,  
To leave it, believe it,  
Leave it all behind.

That's what keeps me,  
That's what keeps me,  
That's what keeps me down,  
To leave it, believe it,  
Leave it all behind.

Lift my hands, my eyes are still,  
I'll walk into the sea  
Shoot myself in a different place  
And leave it

I've longed for this to take me,  
I've longed for my release  
I've waited for the callin'  
To leave, leave.

Leave, leave.  
Leavin', leavin'
