Song: Switchfoot

Welcome to the planet  
Welcome to existence  
Everyone's here  
Everybody's watching you now  
Everybody waits for you now  
What happens next

I dare you to move  
I dare you to move  
I dare you to lift yourself up off the floor  
I dare you to move  
I dare you to move  
Like today never happened  
Today never happened before

Welcome to the fallout  
Welcome to resistance  
The tension is here  
Between who you are and you could be  
Between how it is and how it should be

Maybe redemption has stories to tell  
Maybe forgiveness is right where you fell  
Where can you run to escape from yourself?  
Where you gonna go?  
Where you gonna go?  
Salvation is here
