Song: New Radicals

There's something about you,  
tears me inside out whenever you're around  
There's something about you  
Speeding thru my veins until we hit the ground  
And there's something about this rush  
Take it away  
It made me feel so good  
I get a feeling, you get a feeling, we got a feeling  
like we could die  
And guess what mother  
we just cant get enough  
we just cant get enough  
Lover  
we just gotta get it up  
we just gotta get it up  
There's something about you  
That tears me inside out whenever you're around  
And there's something about you  
That makes me fly  
You're a heart attack, just the kind I like  
and there's something about your kiss  
haunting and strange  
That makes me feel so good  
I get a feeling, you get a feeling we got a feeling  
Like we're alive

[chorus]

This world may not have too much time  
But baby I'm fine because maybe you're mine  
We just can't get enough  
You better give up, come on and give up  
give up your life  
it's you for me, and me for you  
You make my dreams come true  
Off the wall coming from me  
But I wanna see this through, my baby  
You're on my mind all the time  
I found a million dimes  
You rolled the dice, and lost them all

And baby I just don't mind  
And incidentally mother

[chorus]

And I don't want no one if I cant have you  
a world of illusion  
But baby you're true  
I know I deceived you I once told you lies  
If you don't believe me  
Just look in my eyes
