Song: Cold

Well I can't ever really believe
No one was sent to get me
And I feel like I'm being erased
No one got left here
I'm all alone
No one was sent to get me
I'm all alone
No one got left here

But I'm fine
No one got left here
Well I'm fine
If it's fine then stay

I can't breathe when I see
The pictures sent without you
I feel like I've been erased
No one got left here

I'm all alone
No one was sent to get me
I'm all alone
No one got left here

I'm so sick of this terrible instinct
It's so hard now
Just to find you

So sick of the terrible instinct
I can only find you
