Song: Mandy Moore & Jonathan Foreman

Ninety miles outside Chicago
Can't stop driving
I don't know why
So many questions
I need an answer
Two years and later
You're still on my mind

Whatever happened to Amelia Earhart?
Who holds the stars up in the sky?
Is true love just once in a lifetime?
Did the captain of the Titanic cry?
Ohhh.....

Someday we'll know
If love can move a mountain
Someday we'll know
Why the sky is blue
Someday we'll know
Why I wasn't meant for you

Does anybody know the way to Atlantis?
Or what the wind says when she cries?
I'm speeding by the place that I met you
For the ninety-seventh time tonight

Someday we'll know
If love can move a mountain
Someday we'll know
Why the sky is blue
Someday we'll know
Why I wasn't meant for you

Yeah, yeah, yeah, yeah

Someday we'll know
Why Samson loved Delilah
One day I'll go
Dancing on the moon

Someday you'll know
That I was the one for you

I bought a ticket to the end of the rainbow
Watched the stars crash in the sea
If I could ask God one question (one
question...question)
Why aren't you here with me tonight?

Someday we'll know
If love can move a mountain
Someday we'll know
Why the sky is blue
Someday we'll know
Why I wasn't meant for you

Yeah, yeah, yeah, yeah

Someday we'll know
Why Samson loved Delilah
One day I'll go
Dancing on the moon
Someday you'll know
That I was the one for you
