Performed by Gene Kelly

'S wonderful, 's marvellous, that you should care for
me

'S awful nice, 's paradise, 's what I love to see

You made my life so glamorous; you can't blame me
for feeling amorous

'S wonderful, 's marvelous, that you should care for me

C'est magnifique, 't is what I seek, that you should care
for me

C'est elegant, 't is what I want, 't is what I long to see

My dear, it's four leaf clover time, from now on my
heart's working overtime

'S exceptional, no bagatelle, that you should care for
me
