3LW LYRICS

"Never Let Go"

Hey girls did you know that pretty boys ain't in no more  
You better find you a love you can trust and respect  
you like his mother  
Hey fellas you better find a girl who loves you more  
And not just for your flow when you look she'll be out  
the door

You gotta be down for whatever  
Stay close keep it tight stay together  
Cheat on you play on you oh never  
You need the one that'll make love last forever  
They gotta love you no matter  
You can stay slim or your fatter  
Not the type that'll change with the weather  
You need the one that'll make love last forever

[Chorus]

My man ain't all that to you  
But he loves me so (hey hey)  
He treats me oh so good  
And I'll never let him go (oh no)  
He makes me feel like a queen  
No one could love me more (hey hey)  
Ya'll better find your true love  
And never let him go

Hey girls you better find a man who understands  
All you need and all he sees is ways to make you happy  
Hey fellas you better find a girl who's much more than  
A skinny waste, a pretty face cause everybody's had a  
chance

You gotta be down for whatever  
Stay close keep it tight stay together  
Cheat on you play on you oh never  
You need the one that'll make love last forever  
They gotta love you no matter

You can stay slim or your fatter  
Not the type that'll change with the weather  
You need the one that'll make love last forever

[Chorus]

These day they got it all so twisted on how love should  
be  
Men go for looks and women want material things  
What happened to true love  
From the one you adore  
Grab hold and never let go

(Oh no)

[Chorus]

(Hey Hey, Oh No, Hey Hey)
