Is that you may get exactly what you want"

"out!" "oh"

"out, get out of here!" "why? what's going on?"

that..."

"shut up! ok, weirdos"

"who's that?"

"alright, now, jump up and down a little bit

Huh, fellows, get lost in it?" "jump up in this? what is

Look, you're supposed to be dandruff, fellows

Would you work at it, please?" "dandruff?"

"jump up and down a little bit?" "dandruff?"
