Now I turn to backyards  
Boys and girls in baseball games  
Foul ball the kids chase after  
Saving for a souvenir

Chewing gum and candy wrappers  
In the major/minor leagues  
Philadelphia or Reading makes no difference to me

You speak of upsides  
I've seen it upside down  
Crayons the lines break  
I've watched my heart burn  
Burn  
Burn

Standing on the corner beneath too many street lights  
Too many shades too many colors makes an ugly  
picture  
I've let these lines paint me  
And now I finally get it  
Okay, can it be over?  
You say never, never for me

You speak of upsides  
I've seen it upside down  
Crayons the lines break  
I've watched my heart burn  
Burn  
Burn

Where is the downside?  
When it comes, I'll be down  
Crayons the lines break  
Crayons the lines break

You speak of upsides  
I've seen it upside down  
Crayons the lines break  
I've watched my heart burn  
Burn
