With a pen we begin to fill empty streets and bed
sheets
The typeset matches up with what I had thought
But not what you said
The cards that you played were unlucky for me

Just a temporary setback
So sit back
I'll pour you a drink
Recline
Oh recline

Watch the decline of Rome on the television
Oh wine
Where is wine?
Who was Romulus and who won?

Team versus team
The sporting man makes his game plan
And oh the theme
The star spangled dream
The star strangled dream

Oh declare the declaration
Oh Rome
Oh Romulus
Oh Romulus
Who won?
