I said "I've been waiting  
I've been waiting for something  
Or I've been waiting for nothing"  
I guess I'll see  
She said she's been waiting  
She's been waiting for everything  
And now she's ready for anything  
Which one will I be?

To be the one that has been scripted for you  
Look I am the locket  
Lock it up  
(Oh to be) oh to be an anchor  
I wish I was an anchor  
To always hold you home  
Holding you home

She says she's been sailing  
But now she is sinking and I've been guilty of winking at  
wounded sails  
And the water she's drinking is the cause of the  
drowning  
And now the floorboards are leaking  
All cut with nails  
And now that the season's snow has fallen down  
The seas and snow  
The Broadway show in the theaters of Providence  
And her ship is sinking as the curtains are closing  
And I am the playwright  
So where are the lines Eugene O'Neill?  
I can feel her throwing anchor and all  
Anchor and all

To be the one that has been scripted for you  
(Look I am the locket)  
Look I am the locket  
Lock it up  
(Oh to be) oh to be an anchor  
I wish I was an anchor  
(Hold you home) To always hold you home  
Holding you home

Don't cut the anchor down  
To be the one that has been scripted for you  
(Look I am the locket)  
Look I am the locket  
Lock it up  
(Oh to be) oh to be an anchor  
I wish I was an anchor  
(Hold you home) To always hold you home  
Holding you home
