I never knew what it was like to be alone
I never wanted you to go back home
I'm so damn sorry for everything I did
I was just a stupid kid
These girls sings songs that I will never know
How love can last if you only let it grow
Were broken too like the fending of heart
But we only had a start
And my heart finds peace tonight
And my soul finds comfort there
in the knowledge that you'll someday
maybe be alright
I never wanted you to be alone
I never thought I could make a happy home
I'm so damn sorry for everything I did
But I'm still that stupid kid
And my heart finds peace tonight
And my soul finds comfort there
In the knowledge that you'll someday maybe
maybe be alright
