Artist: Submersed

Hey, what's your name?  
I've been crawling on my fingers for so long  
Shame, is your blame  
You think of a better dayâ€¦

It shouldn't be so complicated  
Cause I've been looking for this for so, so long  
And I can't believe that many things are overrated  
So I will follow you down

Then it happens againâ€¦

Blame, that's your game  
You've been pointing fingers at me for too long  
Fame, is all you gain  
You think of a better day

It shouldn't be so complicated  
Cause I've been looking for this for so, so long  
And I can't believe that many things are overrated  
So I will follow you down

Then it happens againâ€¦  
Then it happens againâ€¦  
Then it happens againâ€¦  
Then it happens againâ€¦

It shouldn't be so complicated  
Cause I've been looking for this for so, so long  
And I can't believe that many things are overrated  
So I will follow you down  
So I will follow you down  
And I will follow you down
