Artist: Chevelle

Say it, say it

Say it, say it

Alone, you support, then embrace

Another reason to see

Success we unfold, clutching firm

That in me panics for sure

Say it, say it that it's done

I want, want it, need it done

Say it, say it that it's done

I want, want it, need it done

The lie, want to know, has it met

Expectations so far

Now run, make amends, feeling torn

Boy you better be sure

Say it, say it that it's done

I want, want it, need it done

Say it, say it that it's done

I want, want it, need it done

Still running

Never watching up, say it

Still running

Never watching up, say it

Still running

Never watching up, say it

Still running, still running, still running, still running

Say it, say it that it's done

I want, want it need it done

Say it, say it that it's done

I want, want it need it done

Say it, say it that it's done

I want, want it need it done

Say it, say it that it's done

I want, want it need it done
