When my work here is done  
And my race has been won  
Heaven is waiting  
Heaven is waiting for me  
When I've done my best  
And withstood the ultimate test  
Heaven is waiting  
Heaven is waiting for me

Jesus went away  
To prepare a place for me  
And when He comes again  
That's where I'll spend eternity

Heaven is waiting  
Heaven is waiting  
Heaven is waiting

The time is growing nigh  
When I must bid this world goodbye  
Heaven is waiting  
Heaven is waiting for me  
The Lord is coming back  
It's gonna be soon  
And that's a fact  
Heaven is waiting  
Heaven is waiting for me

Where the streets are made of gold  
The gates are made of pearl  
There'll be nothing but joy for me  
When I leave this old world

Heaven is waiting  
Heaven is waiting  
Heaven is waiting  
Heaven is waiting for me  
Heaven is waiting  
I can't wait to get there  
Heaven is waiting

I'll be free

From pain and misery  
Free from hurt and strive  
Going where there's no despair  
And there I'll have new life

Trying to live right  
Every day and every night  
Cause heaven is waiting  
Heaven is waiting for me  
The Savior I will see  
Gonna just bow down at His feet  
My loved ones and frees  
Who have gone on before  
Are gonna be reunited  
We'll live forevermore

Heaven is waiting  
Heaven is waiting for me  
Heaven is waiting  
Heaven is waiting for me  
Heaven is waiting  
I'm looking forward to going to heaven

Heaven is waiting  
Heaven is waiting for me  
Heaven is waiting  
Heaven is waiting for me

I got to leave this old world  
I can't stay down here yall  
This old world is not my home  
I'm just a stranger  
I'm a stranger passing through  
But one of these ole days  
One of these ole days

Heaven is waiting  
Heaven is waiting  
Heaven is waiting  
Heaven is waiting  
Don't you want to go (heaven is waiting)  
Don't you want to go (heaven is waiting) (\*\*continue to  
repeat after each line)  
Is there anybody here tonight  
Do you wanna go to heaven  
Do you wanna go to heaven  
Can you lay your burdens down  
Gonna lay my burdens down  
I'm going home to get my crown  
I won't be crying no more  
I won't be lied on no more

I'm going home  
I'm going home  
I'm going home  
I'm going home  
Going home

Don't you wanna go  
Don't you wanna go  
Don't you wanna go  
Don't you wanna go

[Ending:]  
Heaven is waiting for me
