Verse 1:

It's amazing to me
All the things that you do for me
And I never seen your face
It would satisfy
My curiosity
The day that I see your face
You gave me the gift of life
Before I even knew who I was
You payed the ultimate price
At calvary you've shed your blood
Oh how I love you so
You supply everyone of my needs
I don't always do you right
But you keep on blessing me

Choir

It's just amazing to me
All the things You do for me
And I never seen your face

Verse 2

There were times that I could feel you
Ever so close to me
Right there leading me
And guiding me
And protecting me
I never have to walk alone
Cause you're always there
Evil is facing me
I just know I'm in your care

Choir

It's just amazing to me
All the things you do for me
And I never seen your face

Behold we shall behold his face
See Jesus We're gonna see his face
