Heartaches, I've had my shares of hearaches, but I'm still here

Trouble, I've had my share of troubles, but I'm still here

Bruises, I've taken my lumps and bruises, but I'm still here

Loneliness, I've had my share of loneliness, but I'm still here

Chorus

Through it all I've made it through

Another day's journey,

God kept me here

I've made it through

Another day's journey,

God kept me here

Lied on, many times I've been lied on, but I'm still here

Burdens, I had to bare so many burdens, but I'm still here

Dark days, I've had my share of dark days, but I'm still here

Disappointments, I've had so many dissappointments, but I'm still here

Chorus

It's by the grace of God, that I'm still here today

He was always there, no matter what came my way

I felt the presence of him, in my time of need

Standing right there, just to sill my faith

Chorus

I made it (I made it)

I made it (yes, I made it)

I'm still here (I'm still here)

A lot of folks say that I wouldn't be here tonight, but I made it (I made it)

By the grace of God, Yall (yes, I made it)

I'm still here (I'm still here)

I have to lay awake in the midnight hour, sometimes
tossing & turning (I made it)

All night long (yes, I made it)
Have anyone had to lay awake all night long
sometimes (I'm still here)
Tears in your eyes wandering what the next day was
gonna bring (I made it)
God has kept arms around you, yes he did (yes, I made
it)
You made through the trials (I'm still here)

Come on let me see those hands in the air
I made it, I made it (I made it)
I made it, I made it (yes, I made it)
I made it, I made it (I'm still here)
Through it all (through it all...I'm still here)
