Im in your face  
cause it's not your race  
Im turning corners  
and Im in first place

I'm gonna win  
I got my motive in  
My wheels are making  
the asphalt thin

Stay behind me  
where you belong  
Smell my fumes  
they're pretty strong

If you dont know me  
Its been too long  
Im Chris Davis  
This is my song.

Your gonna get some road rash  
Your gonna get some road rash  
Your gonna get some road rash  
If you try and pass my ass

solo  
You can hear me  
from a mile away  
The reving of my motor  
gets you out of my way

You spread apart  
and make some room for me  
This asphalt is mine  
and mine it will be

When you see me  
it wont be for long  
Im off in the distance  
far beyond gone

The finish line

is coming up strong  
Im Chris Davis  
This is my song

Your gonna get some road rash  
Your gonna get some road rash  
Your gonna get some road rash  
If you try and pass my ass
