Sunrise to Sunrise
And day after day
I want to move ahead
And close the door behind me

I smile
For a while
I feel ok
For now

I worry
About things
Hoping everything will be ok

Im Risky
I gotta be
That's the way
I make ends meet

I wont let
The economy thats
Crashing down
Get the best of me

Sunrise to Sunrise
And day after day
I want to move ahead
And close the door behind me

Moonlight to Moonlight
And night after night
I dream of new
Doors opening up in my sight

BRIDGE
Sunrise to Sunrise
And day after day

I want to move ahead
Even with troubles in my way
Sunrise to Moonlight
Day into night

I'm closing yesterday's door
And walking into tomorrows light
