-Spanish-

Wake up, don't let them get you down
You've got a fine young mother who never doubted you
And you know it takes time to get better
But better's never forever

Jeannie don't you cry
You're just a quarter of your life
Jeannie don't you cry
You've got the whole world coming back
You've got the whole world coming back to you
And let go

Yeah, he never meant to hurt
You can't just build your heart up
And give it all away like that
you say you want something so different
When you always look in the same damn place

Jeannie don't you cry
You're just a quarter of your life
Jeannie don't you cry
You've got the whole world coming back
You've got the whole world coming back to you

-Spanish Verse-

Jeannie don't you cry, Jeannie
Jeannie don't you cry
Yeah I know, he never touched you right
Jeannie dont you cry
Youve got the whole world coming back
Youve got the whole world coming back to you

Wake up, don't let them get you down
