Hey you sucker!
Wanna impress the others
that you have to hit your child?
Are you such an asshole?
Are you such an weirdo?
You know, you make me wild!
Hey you looser!
Come a little bit closer
and fight like a man!
I am filled with anger
and there is just one answer:
Be sure I'll knock you down!
In the pleasant name of Jesus
you lead this fake called life.
But there will justice for you bastard
at the day you gonna die!
Tonight you gotta bleed
Tonight you get all the things you need
Tonight I'll make you pay
Tonight I'm gonna blow you away
Hey so called dad!
Just hit her half-dead,
but my revenge will scare you!
Things you did in your room
will happen to you soon!
And you will beg and crying too!
Hey you wimp!
Guys like you stink.
In Jail you'll be the queen...
You gonna drown in the tears,
you gonna feel your kids fears,
'cause the others gonna be mean!
Your body will be just a whole wound
and you gonna lick your own blood.
And if you beg for forgiveness
another hit you got!
Tonight you gotta bleed
Tonight you get all the things you need
Tonight I'll make you pay
Tonight I'm gonna blow you away
