Waiting for your call
I want;;
I need to hear your voice
Every ring on the phone.
Are you listening to my heart?
Every beat screams your name.
Ever since that summer
You've changed me.
You make my life complete.

I am so glad that I have you.
And I feel torn everytime Im without you.
So stay with me tonight
& Promise your always mine.

I have fallen
Again for you
Its me you catch
I am feeling so fantastic
Thats what you do to me
[[Its me you catch]]
Every breath that you take
Keeps the heart beating in me.
Your the light in my dark hole.
You me everything to me.
Everything to me.

I am so glad that I have you.
And I feel torn everytime Im without you.
So stay with me tonight
& Promise your always mine.
