Mother doesn't know where love has gone  
She says it must be youth that keeps us feeling strong  
I see it in her face that's turned to ice  
And when she smiles she shows the lines of sacrifice  
And now I know what they're saying as our sun begins  
to fade  
And we made our love on wasteland and through the  
barricades

Father made my history  
He thought for what he thought would set us somehow  
free  
They taught me what to say in school  
I learned it off my heart but now that's torn in two  
And now I know what they're saying in the music of the  
parade  
And we made our love on wasteland and through the  
barricades

Born on different sides of life  
We feel the same and feel all of this strife  
So come to me when I'm asleep  
We'll cross the lines and dance upon the streets  
And now I know what they're saying as the drums begin  
to fade  
And we made our love on wasteland and through the  
barricades

Oh turn around and I'll be there  
There's a scar right through my heart but I'll bear it  
again  
Oh I thought we were the human race  
But we were just another borderline case  
And the stars reach down and tell us there's always  
one escape

I don't know where love has gone  
And in this troubled land desperation keeps us strong  
Fridays child is full of soul  
With nothing left to lose there's everything to go  
And now I know what they're saying it's a terrible beat

we made  
And we made our love on wasteland and through the  
barricades

And now I know what they're saying as our hearts go to  
their graves  
And we made our love on wasteland and through the  
barricades
