Mother doesn't know where love has gone
She says it must be youth that keeps us feeling strong
I see it in her face that's turned to ice
And when she smiles she shows the lines of sacrifice
And now I know what they're saying as our sun begins
to fade
And we made our love on wasteland and through the
barricades

Father made my history
He thought for what he thought would set us somehow
free
They taught me what to say in school
I learned it off my heart but now that's torn in two
And now I know what they're saying in the music of the
parade
And we made our love on wasteland and through the
barricades

Born on different sides of life
We feel the same and feel all of this strife
So come to me when I'm asleep
We'll cross the lines and dance upon the streets
And now I know what they're saying as the drums begin
to fade
And we made our love on wasteland and through the
barricades

Oh turn around and I'll be there
There's a scar right through my heart but I'll bear it
again
Oh I thought we were the human race
But we were just another borderline case
And the stars reach down and tell us there's always
one escape

I don't know where love has gone
And in this troubled land desperation keeps us strong
Fridays child is full of soul
With nothing left to lose there's everything to go
And now I know what they're saying it's a terrible beat

we made
And we made our love on wasteland and through the
barricades

And now I know what they're saying as our hearts go to
their graves
And we made our love on wasteland and through the
barricades
