I know you can't hear me
But that does not mean
I don't want you
to feel me
Oh it's just a matter of time
'Til you are mine
Who am I
Who am I to say
Angels from the sky don't walk the earth
Oh as time goes by I realize
There's so much more than I could ever learn
You're an angel in disguise
Don't cry I'll be home soon
You know I want only to be with you
It's just a matter of time
'Til you are mine
Who am I
Who am I to say
Angels from the sky don't walk the earth

Oh as time goes by
I realize
There's so much more than I could ever learn
You're an angel in disguise
And the truth is I
I am scared all the time I I'm terrified when I think of
the world without
light
Who am I
Who am I to say
Angels from the sky don't walk
the earth
Oh as time goes by I realize
There's so much more than I could ever learn You're an
angel in disguise
Who am I
Who am I to say
Angels from the sky don't walk the earth
Oh as time goes by
I realize
There's so much more than I could ever learn

You're an angel in disguise
