I remember a year ago
I was standing in the crowd
Waiting for my chance to break through,
My chance to live again.
Now it seems I've found some friends who finally
understand
What it takes to make this dream come true,
We'll be here till the end.

(Chorus)
Shake it,
Break it,
Get off your feet,
Come dance with me
And don't you fake it.
Shake it,
Break it,
Get off your feet,
Get close to me,
And don't you fake it.

Shout and scream my friends,
Connect with me and we'll pretend
This night will never end (whoa oh)
This night will never end.
Just let go you'll see
Together we'll do anything
This night will never end (whoa oh)
This night will never end.

Chorus

Ohhhh,
I wish I could thank you all
For what you have done
And all of the things that you have shared with me.
Ohhhh,
I wish I could take you all
To where I must go
Wish I could take you all
I'll take you in my heart.

(screamo part)
Dance,
Get on the floor,
Shake,
Get on the floor,
Break,
Get on the floor
(repeat)
