Softly we tremble tonight.  
Picture perfect fading smiles are all that's left in sight.  
I said I'd never leave, you'll never change.  
I'm not satisfied with where I'm at in life.

Am I supposed to be happy?  
With all I ever wanted, it comes with a price.  
Am I supposed to be happy?  
With all I ever wanted, it comes with a price.  
You said, you said that you would die for me...

We made plans to grow old.  
Beleive me there was truth in all those stories that I  
told.  
Lost in a simple game,  
cat and mouse are we the same people as before this  
came to light?

Am I supposed to be happy?  
With all I ever wanted, it comes with a price.  
Am I supposed to be happy?  
With all I ever wanted, it comes with a price.  
You said, you said that you would die for me...

You must live for me too,  
for me too... yeah, yeah, yeah, yeah.  
You said that you would die for me...

Am I supposed to be happy?  
With all I ever wanted, it comes with a price.  
Am I supposed to be happy?  
With all I ever wanted, it comes with a price.  
You said, you said that you would die for me...  
You said that you would die for me...  
You said that you would die for me...  
You said that you would die for me...
