The moon is shining bright.  
The mood is feeling right.  
I'll kiss you on your neck,  
people'll stare but we won't care  
We're high above the ground.  
We're nowhere to be found.  
Empowered by adrenaline.  
Feel like I'm born again.

Again, I am repeating myself  
And I know it is wrong for you  
To sit and pretend.

Damn regret, I'll try to forget.  
Don't worry about me,  
'cos I'm gonna be fine.  
Cast my line,  
to see what's behind.  
Did you think you persuaded me to let you go?

I'm wishing you were here.  
My weakness is my fear.  
Alone I am myself,  
No reason left for me to care.  
Distracted by the sound.  
I hear footsteps all around.  
Empowered by adrenaline.  
Feel like I'm born again.

Again, I am repeating myself  
And I know it is wrong for you  
To sit and pretend.

Damn regret, I'll try to forget.  
Don't worry about me,  
'cos I'm gonna be fine.  
Cast my line,  
to see what's behind.  
Did you think you persuaded me to let you go?

You're the only one I turn to

when I feel like no-one's there,  
and when I'm lonely in my darkest hour,  
you give me the power  
to sit and pretend.

Damn regret, I'll try to forget.  
Don't worry about me,  
'cos I'm gonna be fine.  
Cast my line,  
to see what's behind.  
Did you think you persuaded me to let you go?

Did you think I forget?  
Did you think I surrender myself to persuade you to let  
me go?  
Did you think I forget?  
Did you think I surrender myself to persuade you to let  
me go?  
Woah, woah.
