Hey, girl, you know you drive me crazy
one look puts the rhythm in my hand.
Still I'll never understand why you hang around
I see what's going down.

Cover up with makeup in the mirror
tell yourself, it's never gonna happen again
You cry alone and then he swears
He loves you.

Do you feel like a man when you push her around?
Do you feel better now as she falls to the ground?
Well I'll tell you my friend, one day this world's going to
end
as your lies crumble down, a new life she has found.

A pebble in the water makes a ripple effect
every action in this world will bear a consequence
If you wade around forever, you will surely drown
I see what's going down.

I see the way you go and say you're right again,
say you're right again
Heed my lecture.

Do you feel like a man when you push her around?
Do you feel better now as she falls to the ground?
Well I'll tell you my friend, one day this world's going to
end
as your lies crumble down, a new life she has...

Face down in the dirt, she said,
"This doesn't hurt", she said,
"I finally had enough."
[x2]

One day she will tell you that she has had enough
It's coming round again.

Do you feel like a man when you push her around?
Do you feel better now as she falls to the ground?

Well I'll tell you my friend, one day this world's going to
end
as your lies crumble down, a new life she has...

Face down in the dirt, she said,
"This doesn't hurt", she said,
"I finally had enough."
