It's time to let it go...

The world's got a funny way of turning 'round on you,
when a friend tries to stab you right in the face.
Losing faith in everything I thought I hoped I knew
Don't sweat it, (it was) set on false pretense.

Betrayed, but not gonna be willing to change
And it doesn't seem likely to fade.
Betrayed but not gonna be willing to change
C-c-c-cause you know..

In Sacrifice,
false pretense you'll hurt again.
Stop pretending to deny.
False pretense you'll hurt again.

All along you know you thought you got the best of me.
But you were wrong and I'm laughing right in your face
I can not believe you claimed you were my family.
Dont sweat it, (it was) set on false pretense.

Betrayed, but not gonna be willing to change
And it doesn't seem likely to fade.
Betrayed but not gonna be willing to change
C-c-c-cause you know..

In Sacrifice,
false pretense you'll hurt again
Stop pretending to deny.
False pretense you'll hurt again.

Guitar.

It's time to let it go...

I can't seem to understand it how
you turned out to be so cold.
You tried but were caught red handed.
Are you happy with your role?

Its funny to me how you've turned into such a joke...

In Sacrifice,
false pretense you'll hurt again.
Stop pretending to deny.
False pretense you'll hurt again.

So play the game until you run out,
and play the game into my hand.
