We're caught in a cross roads  
Me and my friends  
Just trying to figure out  
Now what, to do with ourselves  
Working my day job  
I feel I'm selling out  
Steppin up to take my role  
As a consumer and nothing else.

I can see the window closing  
On all of my dreams  
Should I stand and watch them all fade out  
Except normality?

I don't care about getting by  
No I don't care about getting

Wasting I can't be found again  
Wasting I know I'll see you someday  
Wasting I know be found again  
Wasting I know I'll see you someday..

Now sit there and judge me  
For the things that I say  
But you don't understand pain  
And I pity you anyway  
But for those of you who hear me  
We are strong  
So come and follow me  
Somewhere else

Wasting I can't be found again  
Wasting I know I'll see you someday  
Wasting I know be found again  
Wasting I know  
Somewhere else

I do not care about getting by....  
I do not care about getting by

Break me down...  
Bring me down...  
Will you save us?  
Will you save us?  
Break!  
I  
I do not care, I do not care!
