I thought I knew it all
It doesn't matter
If you believe me or not
Our hope is shattered
And any Chance at love is shot
I'll take this sign to
Try and show you a way out
But once you enter
You'll know what I'm screaming about
Oh my god
What have I done?
I can feel the flames around me
As something pulls me deep into the earth
Oh my god, am I in hell
'Cause the waters getting higher
But I can't seem to breathe
I did this to myself
Hear me out now
It's not too late for you to change
But if you don't know
You'll only have yourself to blame
I have to go now
To the place that owns my soul
I should have listened
But now it's out of my control
Oh my god
What have I done?
I can feel the flames around me
As something pulls me deep into the earth
Oh my god, am I in hell
'Cause the waters getting higher

But I can't seem to breathe
I did this to myself
Oh my god
What have I done?
I can feel the flames around me
As something pulls me deep into the earth
Oh my god, am I in hell
'Cause the waters getting higher
But I can't seem to breathe

I did this to myself
I thought I knew it all
I did this to myself
I thought I knew it all
Oh my god
What have I done?
I can feel the flames around me
As something pulls me deep into the earth
Oh my god, am I in hell
'Cause the waters getting higher
But I can't seem to breathe
I did this to myself
Oh my god
What have I done?
I can feel the flames around me
As something pulls me deep into the earth
Oh my god, am I in hell
'Cause the waters getting higher
But I can't seem to breathe
I did this to myself
Did this to myself
Oh God
