And you bring me to my knees again
All this time that I could beg you please, in vain
All the times that I've felt insecure for you
And I leave my burdens at the door
But I'm on the outside, I'm looking in
I can see through you, see your true colors
'Cause inside you're ugly, you're ugly like me
I can see through you, see to the real you
All this time that I felt like this won't end
It was for you
And I taste but I could never have
It's from you
All those times that I tried
My intentions were full of pride
And I waste more time than anyone
But I'm on the outside, I'm looking in
I can see through you, see your true colors
'Cause inside you're ugly, you're ugly like me
I can see through you, see to the real you
All the times that I've cried
All this wasted, it's all inside

And I feel all this pain
Stuffed it down, it's back again
And I lie here in bed
All alone, I can't mend
And I feel tomorrow will be okay
But I know
That I'm on the outside, I'm looking in
I can see through you, see your true colors
'Cause inside you're ugly, you're ugly like me
I can see through you, see to the real you
